

# Can Money Buy You Happiness?

February 24, 2016

## **NPR:**

Social scientist Michael Norton researches how money can buy happiness — when you don't spend it on yourself. The key is social spending that benefits not just you, but other people.

Michael Norton is an Associate Professor of Business Administration at the Harvard Business School. Prior to joining HBS, Professor Norton was a Fellow at the MIT Media Lab and MIT's Sloan School of Management.
