

# Macho Guys Can Be Surprisingly Cooperative, Study Finds

June 06, 2012

## *LiveScience:*

Movie star Chris Hemsworth plays a macho guy as both the huntsman in “Snow White and the Huntsman” and Thor in “The Avengers.” But new research suggests that men with Hemsworth’s broad-faced, square-jawed look aren’t all aggression and brawn...

In fact, men with wider faces are more likely to sacrifice for their team, according to the study, published online May 23 in the journal *Psychological Science*. The findings suggest that people’s first impressions of macho men — that they’re uncooperative, cold and even dishonest — aren’t so accurate.
