

# **Put a Ring on It? Millennial Couples Are in No Hurry**

June 04, 2018

The millennial generation's breezy approach to sexual intimacy helped give rise to apps like Tinder and made phrases like "hooking up" and "friends with benefits" part of the lexicon.

But when it comes to serious lifelong relationships, new research suggests, millennials proceed with caution.

---

"People are not postponing marriage because they care about marriage less, but because they care about marriage more," said Benjamin Karney, a professor of social psychology at the University of California, Los Angeles.
