

# Global Psychological Science at Its Best

December 01, 2011

An APS-cosponsored a Symposium on Embodiment was held at ESCOP 2011 in Donostia-San Sebastián, Spain.

Pursuing big questions in psychological science is an international effort. APS recently co-sponsored programs featuring cross-cutting research presentations by some of the most distinguished scientists in the field. World-class psychological scientists came together to share their latest findings at symposiums on [epigenetics](#), [social neuroscience](#), and [embodiment](#).
