The National Institute of Dental and Craniofacial Research (NIDCR) at the National Institutes of Health invites prospective poster presenters to apply for special recognition in the 2024 APS Annual Convention. This recognition is meant to forge connections between research in psychological science and dental, oral, and craniofacial health.

Multiple recognitions may be given, depending on receipt of eligible poster submissions. Awards consist of special recognition at the APS Convention. Only first authors are eligible to receive this award.

For questions regarding this award please contact the APS Meetings team at convention@psychologicalscience.org.
