

# **Clinical Scientist Training Initiative**

January 23, 2012

The Society for a Science of Clinical Psychology (SSCP) wishes to announce the second annual “Clinical Scientist Training Initiative” grant program. Applications are invited for small (up to \$1500), non-renewable grants for training programs at the predoctoral, internship, or postdoctoral levels to launch new projects or support ongoing initiatives that are designed to more effectively integrate science and practice into their training program.

Applications are due by March 31, 2012, and funds will be distributed during the summer of 2012. Application instructions are available at:

<https://sites.google.com/site/sscpwebsite/awards>. The application is short and easy, so please consider applying!

Also, for more information on the grant and coverage of last year’s winners, see the recent issue of the [APS Observer](#).
