Pre-Doctoral Summer Internship at the NIH Office of Behavioral and Social Sciences Research

April 21, 2017

The Society for Research in Child Development (SRCD) is sponsoring a pre-doctoral internship this summer at the NIH Office of Behavioral and Social Sciences Research.

Candidates must have completed two years of coursework towards a doctorate focusing on human development; must be in good standing academically, and have a strong interest in the research linking behavioral and social factors with health outcomes for children and adolescents. They must be SRCD members and US citizens. The deadline to apply is May 15, 2017.

For more information, please visit the SRCD website.
