

# AAAS Names 10 Psychological Scientists as 2020 Fellows

December 14, 2020

The American Association for the Advancement of Science has included eight APS members and two APS Fellows in its election of 489 AAAS members as [2020 Fellows](#). Election as an AAAS Fellow honors individuals whose efforts on behalf of the advancement of science and its applications in service to society have distinguished them among their peers and colleagues. The 10 psychological scientists listed here constitute all but three of the individuals in the Section on Psychology.
