

Conference to Focus on Milgram Paradigm

August 01, 2014

The [Obedience to Authority Conference](http://www.milgram.ru/en) will be held December 9–11, 2014, in Kolomna, Russia. The conference will focus on discussion of research in the field of Stanley Milgram's experimental obedience paradigm. Russian and international researchers with diverse academic backgrounds and career levels are encouraged to register. For more information, visit www.milgram.ru/en.
