Congratulations
APS Rising Stars

The APS Rising Star designation is presented to outstanding psychological scientists in the earliest stages of their post-PhD research careers.

Brian Anderson
Texas A&M University

Vadim Axelrod
Bar-Ilan University, Israel

Laura Batterink
Western University, Canada

Adriene Beltz
University of Michigan

Anne Berry
University of California, Berkeley

Lin Bian
Cornell University

Khandis Blake
University of New South Wales

Lindsay Bodell
Western University, Canada

Alison Wood Brooks
Harvard University

Jazmin Brown-Iannuzzi
University of Kentucky

Daphna Buchsbaum
University of Toronto

Noémie Carbonneau
University of Quebec at Trois-Rivières

Brittany Cassidy
University of North Carolina at Greensboro

Kevin Ka Shing Chan
The Education University of Hong Kong

Hui Chen
Zhejiang University, China

Rebecca Cheung
The Education University of Hong Kong

Jenny Cundiff
University of Alabama

Bryan Denny
Rice University

Tory Eisenlohr-Moul
University of Illinois at Chicago

Catharine Fairbairn
University of Illinois at Urbana-Champaign

Dominic Fareri
Adelphi University

Aaron Fobian
University of Alabama at Birmingham

Miriam Forbes
Macquarie University, Australia

Amie Gordon
University of California, San Francisco

Ben Grafton
The University of Western Australia

Andrea Graham
Northwestern University

Scott Griffiths
University of Melbourne

James Heathers
Northeastern University

Daniel Heck
University of Mannheim, Germany

Jeremy Hogeveen
University of New Mexico

Eyal Kalanthroff
The Hebrew University of Jerusalem

Elise Kalokerinos
The University of Newcastle, Australia

Bassam Khoury
McGill University

Celeste Kidd
University of California, Berkeley

Amy Krosch
Cornell University

Jonas Kunst
University of Oslo/Yale University
Congratulations to APS rising stars!

Brian Anderson
Texas A&M University

Vadim Axelrod
Bar-Ilan University, Israel

Laura Batterink
Western University, Canada

Adriene Beltz
University of Michigan

Anne Berry
University of California, Berkeley

Lin Bian
Cornell University

Khandis Blake
University of New South Wales

Lindsay Bodell
Western University, Canada

Alison Wood Brooks
Harvard University

Jazmin Brown-Iannuzzi
University of Kentucky

Daphna Buchsbaum
University of Toronto

Noémie Carbonneau
University of Quebec at Trois-Rivières

Emma Levine
The University of Chicago

Neil Lewis, Jr.
Cornell University

Patricia Lockwood
University of Oxford

Nicole Long
University of Virginia

Priscilla Lui
Southern Methodist University

Annmarie Macnamara
Texas A&M University

Catherine Manning
University of Oxford

Elizabeth Martin
University of California, Irvine

Rita McNamara
Victoria University of Wellington

Daniel McNeish
Arizona State University

John Medaglia
Drexel University

Peter Mende-Siedlecki
University of Delaware

Alexandria Meyer
Florida State University

Meghan Meyer
Dartmouth College

Luke Miller
INSERM U1028 ImpAct Team, France

Adam Miller
University of North Carolina at Chapel Hill

Andrea Niles
University of California, San Francisco

Daniela Palombo
University of British Columbia

Michelle Patriquin
The Menninger Clinic/Baylor College of Medicine

Evava Pietri
Indiana University-Purdue University Indianapolis

Ivan Kai-Tak Poon
The Education University of Hong Kong

Steven Proctor
Albizu University

Patrick Quinn
Indiana University Bloomington

Lee Raby
University of Utah

Crystal Reeck
Temple University

Lauren Richmond
Stony Brook University

Terri Sabol
Northwestern University

Kelly Shaffer
University of Virginia

Daisy Radha Singla
University of Toronto

Chris Street
University of Huddersfield, United Kingdom

Johnna Swartz
University of California, Davis

Diana Tamir
Princeton University

Elizabeth Tighe
Georgia State University

Samantha Tornello
Pennsylvania State University

Sharda Umanath
Claremont McKenna College

Nicholas Wagner
Boston University

Rebecca Waller
University of Pennsylvania

Yijie Wang
Michigan State University

Terry Tin Yau Wong
The University of Hong Kong

Marcella Woud
Ruhr University Bochum, Germany
